about Orange

Orange is one of the world's leading telecommunications operators with sales of 42 billion euros in 2019 and 143,000 employees worldwide at 30 June 2020, including 84,000 employees in France. The Group is present in 26 countries. Orange is also a leading provider of global IT and telecommunication services to multinational companies, under the brand Orange Business Services. The Group has a total customer base of 253 million customers worldwide at 30 June 2020, including 208 million mobile customers and 21million fixed broadband customers. In December 2019, the Group presented its new "Engage 2025" strategic plan, which, guided by social and environmental accountability, aims to reinvent its operator model. While accelerating in growth areas and placing data and AI at the heart of its innovation model, the Group will be an attractive and responsible employer, adapted to emerging professions.
